Oregon (State) Adjutant General
[Salem, OR]

October 1, 1919

October 1st, 1919.

Adjutant General,
State of Oregon,
Salem, Oregon.

Dear Sir:-

We note that the State of Oregon is planning to issue a medal to those men who entered the service during the war with Germany. This Museum makes a specialty of war medals and decorations having all of our own government medals, most of the foreign ones, and is now getting together those issued by the different states of our own nation. We would very much desire to have a specimen of this medal, and also if one was issued for Mexican Border service, one of those.

I remain,

Yours very truly,

Curator.
